

Lucas Roman

Lower Sackville, NS | (902) 488 - 4800 | lucasroman04@hotmail.com

Profile

As a second-year IT programming student at NSCC nearing completion of my program, I am eager to advance my career in programming. Detail-oriented and analytical, I thrive on tackling complex coding challenges and devising innovative solutions. Motivated to continuously learn and adapt, I possess a solid foundation in programming principles and want to explore new technologies.

Education

NSCC | IT PROGRAMMING | GRADUATING 2024 | HALIFAX, NS
